The Gentle Dentist - Practice Policies

Account Payment & Insurance Policy

If you have dental insurance, our staff will be happy to help you understand your coverage including your deductibles and co-pays. However, it is not possible for us to know all of the details of each patient's specific plan, so we highly recommend talking with your insurance company or your benefits coordinator for more information.

We are an in-network provider for Delta Dental Premier. If you have another dental insurance company, it very likely provides insurance coverage at any dental office. However, your insurer's set or allowable fee for some services may be different than our practice's actual fee for those services. If this is the case, you will be responsible for paying the difference between the insurance company's fee and ours. Typically, such amounts are nominal. But if you have questions or concerns, please ask our staff, and we will be happy to help you estimate what you may owe.

No matter your carrier, we will gladly submit your insurance paperwork for you. If you have a co-pay, it will be due at the time of service. We will then wait for your insurance company to pay your insurance benefit directly to us. We file insurance claims the same day of your service, and we follow up with your insurance company for any claims that are not paid after 30 days. If your insurance company still has not paid us after 60 days, the balance will become your responsibility and is due in full. A billing fee of 1.5% (18% APR) will be applied to any unpaid balances after 90 days.

Appointment Cancellation Policy

The Gentle Dentist is proud of running on schedule to the minute. To make sure no patient is ever kept waiting, we kindly ask you to give us 72-hours (3 days) notice if you need to change or cancel your appointment.

We know your time is valuable and your schedule is full. We are proud to offer extended appointment hours from 7:00am to 8:00pm Monday-Thursday, 8:00am to 2:00pm on Fridays, and 9:00am to 2:00pm on Saturdays to accommodate your needs.

When you make an appointment, your appointment time is reserved for you and only you. It includes a complete dental examination and allows time for the highest quality care. Unless we have an emergency, you will NEVER have to wait past your scheduled appointment time.

To keep this commitment, **we do charge \$50 per hour for broken or missed appointments** unless you cancel or change your appointment at least 3 days in advance. We do, of course, make exceptions for emergencies or illness. Please give us a call for more information.
